Dear Kimberly Bose,

2021 MAR 29 P 2:20  
FEDERAL ENERGY  
REGULATORY COMMISSION

My name is Rebecca Lamoreaux born and raised in Lake Katrine, N.Y. 12449. I was born Oct. 19<sup>th</sup> 1973 in Kingston N.Y. I'm very troubled about this company coming from California to destroy our beautiful area. As someone who recreates on the protected lands near the Ashokan Reservoir and the lands of New York State that are proposed by Premium Energy Holdings as a site for a large dam, reservoir, turbine, and tunnel for use in pumped storage and generation of electricity, I VIGOROUSLY object to the proposal and request that the Federal Energy Regulatory Commission DENY Premium Energy Holding's application for a preliminary permit! The proposed project is massive, intrusive, and if constructed, likely to damage local lands, roads, and streams and to increase turbidity in waters serving as an unfiltered drinking source to 9 million people in NYC. Not to mention the damage it would cause to animals' habitats. Please do everything in your power to prevent this proposal from moving forward!

Thank you!

Sincerely,
