Re: **Docket P-15056-000**

MOTION TO INTERVENE of Nina Zamorsky for the Premium Energy Holdings, LLC, Project No. 15056

Dear Secretary Bose,

This correspondence is in direct response to the Federal Energy Regulatory Commission (FERC) proposed **Project No. 15056-000**, Ashokan Pumped Storage Project, submitted by Premium Energy Holdings LLC, Walnut, CA. Nina Zamorsky is filing a motion to be an intervener and meets the requirements of 18 CFR 385.214 of the Commission's regulations to be granted full party status.

The basis for intervening is due to the proposed location of the project, (**No. 15056-000, Ashokan Pumped Storage Project**) would mean that I would lose my home and access to my property. Therefore, I have substantial interest in the matter. I reside at 152 Moon Haw Road, West Shokan, NY 12494.

Nina Zamorsky respectfully requests that the Federal Energy Regulatory Commission grant this motion to intervene.

Respectfully,

Nina Zamorsky
