Re: Premium Energy Holdings' First Amendment for Preliminary Permit for the Ashokan Pumped Storage Project, FERC Project No. P-15056

Subj: Motion to Intervene

Dear Secretary Bose:

Pursuant to Rule 214 of the Rules, Practices and Procedures (18 CFR Section 385.314), the Town of Hunter, Greene County, New York hereby petitions the Federal Energy Regulatory Commission to grant it full party status in the above-captioned proceeding. The persons to whom communications should be addressed and to whom service should be made are as follows:

Daryl Legg
Town of Hunter Supervisor

As grounds for this Motion, the Town of Hunter, Greene County, New York states as follows: The Town of Hunter has a vital interest in the Preliminary Permit application submitted to the Commission by Premium Energy for the Ashokan Pumped Storage Project (P-15056). The Town of Hunter seeks to become a party to this proceeding to ensure the public interests of our

residents are adequately represented. One of the alternatives for the upper reservoir (Stony Clove Reservoir) is within the Town of Hunter, thus impacting the Town of Hunter and its citizens.

Neither disruption to the proceedings nor any additional burden to any party will result from the granting of this Motion. In light of the foregoing, the Town of Hunter respectfully petitions for intervention.

Thank you for your time and consideration.

Sincerely,

Daryl Legg, Town of Hunter Supervisor
