Country	Prenium Energy Holdings proposal to construct
	yet onother reservoir in the Cotskill Mountain
	of New York State is a bodider. Once again,
	people will be evicted from their homes, tox
	money to the towns decrease: none plant species
	be lost; and lives and property downhill of
	the proposed reservoir be endougand. I, therefore, ask prot you reject the proposed.
	askerhot you reject the proposal.
